3 Steps to Become a Christian

Have you ever wondered how to become a Christian? The good news is it's very easy. It helps to first understand that God loves people very much! He wants to be with us now and forever. But, we have a problem. We're not perfect and no matter how hard we try, our imperfections separate us from God.

But because God wants to be with you and me, he sent his son Jesus to pave the way for us to reconnect. Now, all a person has to do is follow three steps to become a Christian.

01 Admit

First, we have to admit that we mess up and aren't morally perfect. Our imperfections (or sins) are a problem because they keep us away from God, who is perfect. The Bible says that everyone on earth has this problem.

02 Believe

Second, we have to believe that Jesus is God's son and died on a cross to take care of our problem called sin. He paid the price for every mistake we've ever done or will do, so that we can reconnect with God.

03 Confess

The third step in becoming a Christian is confessing Jesus as the leader of your life. By doing this you commit to living life God's way instead of your way. This doesn't mean you'll be perfect, but you are inviting Jesus to help you in every area of your life.
